A range of "table" means that e	everything on			
the table is considered to be	e in range.

Light mortars and smoke shells 4+ on a D6				
Other mortars, HE fire and rockets 5+ on a D6				
Each subsequent shot at the so	ime target in			
the same place gets a +1, includi	_

If a hit is achieved, 2+ reg'd for sub'quent				
shots. If target moves 3in or less or if shots				
are walked 3in or less, 3+ is a hit.				
Rockets require 5+ to hit on every shot.				

Assaults
Assaults take place in FIRE phase
·
1-on-1 attacks
All action takes place in attackers phase
3+ on a D6 for a successful attack
Elite +1 bonus, Poor/Militia -1 penalty
If unsuccessful, 4+ beats attacker and 2+
alerts friendly troops within 12 inches
Successful att = attacker stays/returns
Close assault on buildings etc
1 grenade thrown for every 3 attackers
Firing at short range vs hard cover
NCO can withdraw by passing L/Test
Assaults on AFVs etc

riders cannot be assaulted
AFV can be assaulted from a building if within
